The Asian Institute of Technology (AIT, <http://www.ait.asia>) has been implementing an EU-financed project entitled: “*Sustaining and Enhancing the Momentum for Innovation and Learning around the System of Rice Intensification (SRI) in the Lower Mekong River Basin*”. The main objective of the project is to contribute to enhance resilience of rainfed small-scale farmers of Lower Mekong region confronting climate change. The project is being implemented in Cambodia, Laos, Thailand and Vietnam. More can be seen at: <http://www.sri-lmb.ait.asia/>.

The AIT proposes to hire a service contractor to produce a video documentary of the SRI-LMB project. The **purpose** of the assignment is to capture the essence of the SRI-LMB project and its implementation. It is expected that the documentary will convey various aspects of the project, from focal areas and major concerns to implementation experiences and achievements, to important stakeholders, and hence, strengthen the project and institutional outreach activities. The contractor needs cover the whole project period since its implementation began in 2013. In terms of geography, the focus will be on all the four project countries of Cambodia, Laos, Thailand and Vietnam. For service details, please refer to the Annex II (draft Terms of Reference) of the tender dossier, attached to the Instructions to Tenderers.

Instructions to Tenderers along and **tender dossier** are available on the Internet at this address:
